## PRICE OF WHEAT MAY BE HIGHER THIS YEAR

Ottawa, July 25. — Official offices at Ottawa indicate that the wheat requirements of France this autumn will approximate at least 25 million bushels. The demand in other countries, apart from Great Britain, will also be considerable, and prices are expected to reach a higher level than last year when the chief purchasers abroad were the allied governments. There will be considerable purchasing by overseas governments this year, but they will not co-operate to the same extent in buying.

## DROWNING FATALITY AT GULL LAKE

Russ A. Mills, a Calgary lacrosse player, was drowned while camping in Gull Lake on Thursday afternoon. He was accompanied by two other Calgary lacrosse players, Mr. Sinclair and Mr. Jowl, of Loughleigh and Bennett's office, both of whom were saved by L. C. Gibson, a resident of Loughleigh, who succeeded in getting them on a plank.

Mr. Mills along with Sinclair and Jowl started across the lake to get supplies. Although the water seemed a little rough, they thought nothing of it at the time, but on getting well out into the lake they found it impossible to go on, and in turning the boat, the light craft was swamped, throwing the occupants into the water. They were then some 1000 yards from shore, and Mills, who was a fair swimmer, started to swim towards the shore where he intended to get help, while the other two clung to the overturned boat. After he had gone some little distance, he was suddenly overtaken by cramp, for he sank and disappeared, and was not seen again.

## Weddings

### CRAWFORD-KEER

A pretty wedding took place at the home of Rev. A. W. R. White, man of Knox church, Calgary, recently, when Margaret Brown Keer of West Calgary, Midlothian, Scotland, was united in marriage to Allen Herbert Crawford, Ponoka. The bride, who was gowned in white crepe de chene, was attended by Miss Grace Gertrude Crawford, sister of the groom. Frank Crawford supported his brother. Mrs. Keer was also present. Mr. and Mrs. Crawford will make their home on the bridegroom's farm west of Ponoka.

### MAGADANS TRAGEDY

A quiet wedding was solemnized at the Union Church, Ponoka, on Monday at 11 a.m., when Miss Minnie Stadel of Bashaw, was united in matrimony to Mr. Otto William Magadans, of the Asker district. The bride was accompanied by Miss Olga Magadans, and Mr. Wm. Magadans supported the groom. The Rev. C. Bishop performed the ceremony. The happy couple will make their home in the Asker district.

## Glen Fallow & Vicinity

Friday, July 23, being a bright sunny day, the U.F.A. picnic at the Glen Fallow was well attended. The program of sports was good. Percy Osterlund carrying off several prizes in the athletic events. T. Torvinen won first in the half mile horse race. An exciting game of baseball was played in the afternoon between Twin Creek and U.S.A. teams; the latter winning by a score of 17 to 7. Credit is due Harry Eliason and Andrew Warren. They were Johnny Jay the spot with the ice cream automobiles. The dance in the evening was a grand success, a big crowd present, and a jolly old time was had. Martin, Rousseau and Torvinen furnished the music.

Art Johnson made a trip to Ponoka on Saturday, along the Haring boys in their little Ford. Chas. Chapin has improved the road considerably by plowing it across ya. Roy Cayton is rilling the range hunting his cows. Miss Black and Miss Clayton visited at Nelson's on Saturday afternoon. E. Haring has started an auto livery, and is ready to serve the public. Taking the boys with their girls to dances and home again is his specialty.

Quite a thunderstorm passed over Saturday evening, one inch of rain fell, and a little hail was reported, but no damage to any extent so far. The Okotuk boys motored to Pigeon Lake on Sunday.

### LACOMBE WINS GAME FROM PONOKA

A clean game was played Tuesday on the Lacombe diamond when Ponoka went down to defeat by a score of 8 to 7. In spite of the fact that Ponoka players were handicapped on account of changed positions in the field, they played a good game. Wilkins was the pitcher for Ponoka and pitched a good ball. Richmond and LaFrampe were the outstanding batters.

Thursday last Ponoka ball team made the trip to Innisfail, where they contested a game in a draw-46. Play was of the best, and would have been one of the best games of the season but for one or two injury operations which interfered with Ponoka players. Innisfail will gain nothing by this kind of work, and let us hope a happy decision will give the most time Ponoka ball team appears on Innisfail's diamond.

Red Feer had the Innisfail team at their visitors on Tuesday evening, and beat them by a score of 10 to 0.

Red Feer comes to Ponoka on Friday night, and a good game is looked for. He there and support the home team.

The League standing for the second half is as follows:

W.	L.	Pct.
Red Feer.....2	1	.667
Innisfail.....2	2	.500
Lacombe.....1	1	.500
Ponoka.....1	2	.333

John Maddell, of Wetaskiiv, has drilled several wells in the neighborhood, one for O. Kuan, two for Haring Bros. and one for G. Healy, the latter has a flowing well at 150 ft. with a stream of about 1 square inch. At present they are drilling at H. Lembo's.

Torvinen came home from southern Alberta, where he has been working since spring.

Loren Nejdely has returned from the States, and is working for P. Palechek.

Chas. Dean is busy keeping house for the Brodicks who have gone to the States for a visit.

## The First Duty of Every Man

For the great mass of people with dependents, life insurance should be the first type of security to be purchased. Where a dependent family is at stake it is the height of folly to urge investment in other directions, and it is quite beside the point to offer laborious explanations of the relative merits of various classes of bonds and other types of investment. The first duty of every man is to protect his household against want in case of premature death, and this can be done only through the purchase of an adequate amount of life insurance. As is well known, life insurance offers a convenient and safe method of accumulating a savings fund at a very fair rate of return. But the greatest purpose of life insurance is to protect. It takes time to save, and where dependents must be protected, life insurance alone guarantees the accumulation of a competency against the contingency of the saving period being cut short by an untimely death. The great mass of people live only in the life insurance stage and are removed by thousands of dollars from the point where they can judiciously become direct investors along other lines.

## Local News.

Geo. Hoar was a recent visitor to Taber.

W. H. Spencer, of Battle Lake, was in town last week.

Rev. Chas. Bishop and family are spending a few days in Edmonton.

Miss J. Long, of Orillia, Ont., is visiting with Mr. and Mrs. Higginson.

Miss Florence Fleming is camping with the Alberta Girls' Club at Lake Wabamun.

Rev. W. Walker, of Bruce, has been appointed pastor of the Free Methodist congregation in Ponoka and vicinity.

Rev. Douglas McDonald, of Killam, is spending part of his vacation in our midst, visiting with his parents.

Geo. Sellars, of Stony Plain, was a visitor to town last week. Geo. is looking well, and is always a welcome visitor.

Mrs. H. E. Pendleton is having a visit from her mother, Mrs. P. E. Hilday, of Mapleton, Iowa. The aged lady stood the journey well, and is in the best of health.

Jack J. Jeffreys left for Peace River on Monday, where he has taken up land. His family will follow in the course of a week or two.

Installation of officers will take place in the Rebekah lodge rooms on Friday evening, the 30th. A full attendance of members is looked for.

A slight hail storm struck our district Saturday, and did damage south east and west. Local showers have ruled throughout the past week, and the crops are much improved. There will be a fair hay crop, but straw will be rather short, so our farmers will have to preserve the feed.

Rev. H. B. Luck has been appointed district elder of the northern district, Free Methodist Church, and has moved his family to Edmonton. Mr. Luck has been stationed here for twelve months, and has won a foremost place in the community.

The Chautauque came to close on Wednesday, after a most successful session. All the entertainments, both afternoon and evening, have been well attended, and the programmes submitted have been of a high order. This is the fourth year that the Chautauque has visited Ponoka, and it looks as if it had become an established institution.

The community service, held in the Chautauque tent on Sunday evening was well attended. Brief addresses were given by Rev. C. Bishop, Rev. C. E. Turner and Rev. P. Baker, and close attention was manifested throughout. The singing was led by a choir under the leadership of Mr. Laubman, and solos were rendered by Mr. Laubman and Mrs. Turner.

J. R. A. McDonald is spending a few days at Banff.

W. B. Allen and family are spending a day or two in Calgary.

Miss Margaret Phillips left for her home in B.C. on Monday.

W. E. Brown, of Peace River, is visiting with C. C. Reed.

Three of John Innes' children arrived from Scotland this week, and will make their home here.

A large number of Ponokites visited Buffalo Lake Sunday, and had a rare outing.

Miss Eleanor West has taken a position with the C.P.R. in Lacombe.

Mr. and Mrs. Owen Williams, of Cardston, are visiting with Mr. and Mrs. W. Mullins.

Ross Alexander and family arrived from North Carolina on Sunday.

Miss Edith Montgomery, of Edmonton, spent the week-end with her mother in the Tri-gram district.

Miss L. Graham and Miss Maud Fleming, of Provost, were visiting with Miss Ruth Ravensburg.

Mrs. Bert Crow, of Long Beach, California, is visiting with her uncle, Jas. Hepburn, and other relatives.

Mr. and Mrs. C. J. Irwin, of Banff, spent a few days last week in town with their son, James B.

J. S. McCullough, of Home Glen, has taken the mail contract Ponoka to Springdale.

Mrs. Geo. Zachary is returning home today, after two weeks' vacation in Ponoka.

Mr. and Mrs. W. H. Werner and Mr. and Mrs. Fred Werner arrived last week with their families from Oregon.

E. J. Peterson is delivering his mail by auto on routes two and four. A wise investment.

Mrs. Geo. Gordon has the pleasure of welcoming her brother, John Fraser, and wife, of Invercargill, New Zealand, who are on a tour round the world. They are going from here to Scotland and home by way of France and the Suez Canal, and expect to be on the trip for about ten months. Mr. Fraser has been farming in New Zealand for over forty years, and has not seen his sister for about thirty years, so that the meeting is a real pleasure to both. Mr. and Mrs. Fraser are very interesting in recounting conditions in that far-off happy and prosperous land, and many are enjoying meeting them. Since coming here they have seen a good deal of our district, and are delighted with the country and people.

A picnic will be held at Tom Rees' Grove, Eastside, on Thursday, August 5th. Come and enjoy the day with friends.

# Death And Destruction In Path of Cyclone

Regina.—A correspondent of the Regina Leader furnishes a graphic description of the terrific windstorm that visited southern Saskatchewan on Thursday last. Devastation so complete as to exceed the most vivid imagination stands as mute testimony to the terrific forces of nature which brought death and destruction to a prosperous farming community extending for about eight miles in length, two miles wide, east of the village of Frohisher.

The total wreckage has not yet been computed exactly owing to a demoralized telephone service, but up to the time of writing there are twenty barns and seven dwelling houses completely shattered to match. The worst feature of the disaster is the loss of life, as follows:

Mrs. Guy Holmes, dead, also her infant, which was four days old.

Mrs. R. J. Byers, who was nursing at the Holmes house, has died as a result of injuries received.

Guy Holmes, husband of the dead woman, is lying in a precarious state in Frohisher. His life is despaired of. The damage extends as far west as Yellow Grass and from that point to four miles east of Alameda the cyclone carried death and destruction in its teeth for a breadth of two miles in a southeasterly direction. In general cases there is absolute destruction and gone as the complete earthly belongings of several whole families are gone.

So completely are people dazed and shaken up from their terrible experience that it is impossible to secure a coherent story from any one. Each has an experience of his own to relate; some were blown into sloughs, others found themselves in various places and could give no account of how they got there. Pathetic signs were observed in visiting the stricken area; inhabitants were seen searching for old relics that money can never replace, while others were in a mechanical kind of way gazing up the debris where once a home stood, and hoping against hope that some of their possessions might be recovered.

On the farm of Robert Lang is typical of several other places. The house has been left. Just the bare hole of the cellar marks the sight where the house stood, while a hundred feet away lies the place where the house with tightly packed soil, and in the bluffs beyond the house are seen garments of all kinds hanging on the wall. It was the cellar which saved the lives of this family, for Mr. Lang said it sounded as if an army was bombarding his house above them with rocks when it was struck. The flying timbers from the barn and then a crash, and the house was gone, leaving them with the sky as their only roof.

One killed, and nine in Langman hospital is the casualty list of the cyclone in the district between Cullen and Langman. The Irish chapel, closed by Cullen school, was struck by P. Schell's barn, wrecking it, then to J. Reivard's farm, where, after carrying the buildings away, his wife and seven children were left in a stunned heap twenty yards from the house. One little girl, aged five years is dead, while the others are receiving treatment in the hospital. Dr. Sample's buildings are a total wreck, and several others have been heavily damaged. Many of the leaders will enter into negotiations.

## Privy Council Decision Settles Matter

Remaining Strike Leaders Will Call Off Appeals Now

Winnipeg.—The decision of the privy council in Russell's case has been accepted as disposing of contemplated appeals on behalf of the other convicted Winnipeg labor leaders, it was intimated by James Law, secretary of the defense committee. Mr. Law said he had no word as yet from Mr. Trueman or from his London agents, but accepting the decision as the case as accurate, he intimated that there would seem to be no advantage in entering further appeals, which would of necessity have to be argued along lines similar to the Russell appeal.

## Mannix Will Visit Ireland

New York.—Plans of Archbishop Daniel J. Mannix, of Australia, to visit Ireland were unchanged by reports of opposition to his entering Ireland, it was announced. The Archbishop will sail for Queenstown July 31 on the Baltic, and after a stay in Ireland will continue his journey to Rome.

W. N. U. 1326.

## Ex-Kaiser and United States May Appoint New Minister in London

Wilson Wants War, He Can Have It," Said Wilhelm

Berlin.—"Failure of Rightfulness" might be the title of a report of the second subcommittee of the commission of investigation into the Kaiser's position. The Kaiser's position in the winter of 1916-17, which has just been issued.

An interesting marginal note by the former emperor to one document appended to the report, reads:

"An end must be made, once for all, to negotiations with America. If Wilson wants war, he can have it."

The report, as drawn up by Professor Simchen, former Socialist member of the Reichstag, gravely indicts Germany's military dictators for rejecting a possible peace in favor of unrestricted submarine warfare, and declares the gravest error was the under-estimation of American resources.

The report declares the German public was grossly misled, and also blames those in authority for withholding from the public knowledge of communications by men who, familiar with the American situation, issued warnings against the submarine warfare.

## For A Joint Conference

Wants Prairie Provinces To Get Together on Freight Rates

Lloyd George Defines Government Position on Irish Question

London.—Premier Lloyd George told a deputation of the parliamentary group of the Irish union congress that he was as anxious as any man to see the Irish question settled on a basis acceptable to the majority of the Irish people.

Mr. Lloyd George declared the government was not afraid to accept a truce, but that it could not permit any such truce to be made which was prepared to go a long way to letting Ireland manage her own affairs, he said.

The premier suggested that labor could use its influence to secure a settlement.

## To Watch Mannix

British Force Freed

London.—The war office announced this evening that the Indian garrison between at Rome, Mesopotamia, was moved last Thursday after a relief column had defeated an Arab force of 2000. Many casualties were inflicted on the Arabs.

## Poles Ask for Armistice

Request Has Been Made to Soviet Government for Immediate Cessation of Fighting

Zurich, Switzerland.—Poland has asked the Soviet Government for an immediate cessation of hostilities and the despatch of a Soviet military detachment to meet the Poles to arrange an armistice, according to a wireless received from Moscow.

The place of the message is suggested as the Warsaw-Moscow road between Baranovichi and Brest-Litovsk.

## To Raise U.S. Railway Rates

Interstate Commerce Commission to Be Asked for Substantial Increase

Washington.—Freight and passenger transportation in the United States is to be asked for a substantial portion of the rate to be asked by the railroads of the interstate commerce commission to effect the \$600,000,000 added revenue for the labor board's wage award. It was announced by A. H. Thon, general counsel for the association of railway executives.

## Nativity Quebec Divorce

Montreal.—Mr. Justice Lorange decided that a divorce granted by the Senate committee at Ottawa to a Catholic was of no effect in the province of Quebec. The case upon which his lordship delivered the decision was that of Mrs. Bernadette David, who sued her husband for alimony, the husband serving a divorce from her subsequent to the commencement of the action.

## Storm Hits Hamilton

Hamilton, Ont.—Considerable damage was done in this city this evening by one of the worst thunderstorms of recent years. The street cars and suburban electric cars were stalled for several hours. The house lighting system also was off.

More than 300 telephones were put out of service.

## Veterans to Meet at Coast

Winnipeg.—An announcement was made here that the Dominion convention of the Army and Navy Veterans' Association will be held in Vancouver, commencing October 11. Fifty units of the organization are expected to attend.

## Elect Saskatchewan Man

Vancouver.—W. P. Bell, of Assiniboia, Sask, was elected second vice-president of the Dominion executive committee of the Retail Merchants' Association.

## Heavy Increase In Freight Rates Is Forecasted

Many Victims of Rioting in Belfast District

Belfast.—Nine persons were killed and scores injured in rioting which has been taking place in the neighborhood of Clonard monastery.

Brother Michael Morgan, a Redemptorist, was shot dead in Clonard monastery, during the course of a serious engagement between rioters and troops. Two others were killed, William Downey and William Goddard. The belief is that Morgan was the victim of stray bullets.

There was a renewed outbreak of rioting on Keshmire road, one of the most dangerous districts.

The attacks against the military were of a formidable character and many were injured by stones and other missiles.

The rioters grew increasingly nervous, and after a warning, the troops fired, with the result that three persons were killed and fully a dozen were wounded, some of them seriously.

There was serious rioting at Ballybride, the home of Col. Smith, who was assassinated a few days ago. The offices of a news agency were set on fire, petrol being obtained for this purpose from passing automobiles, and destroyed. A majority of the employees of the Ballybride factory demanded the expulsion of the Irish workers, the management in each case being obliged to close down the works.

Refugees, County Mayo.—Police Sergeant Armstrong was shot dead and Constable Regan seriously wounded during an exchange of shots with a masked mob which attacked the police.

There was a renewed outbreak of rioting on Keshmire road, one of the most dangerous districts.

The attacks against the military were of a formidable character and many were injured by stones and other missiles.

The rioters grew increasingly nervous, and after a warning, the troops fired, with the result that three persons were killed and fully a dozen were wounded, some of them seriously.

There was serious rioting at Ballybride, the home of Col. Smith, who was assassinated a few days ago. The offices of a news agency were set on fire, petrol being obtained for this purpose from passing automobiles, and destroyed. A majority of the employees of the Ballybride factory demanded the expulsion of the Irish workers, the management in each case being obliged to close down the works.

Refugees, County Mayo.—Police Sergeant Armstrong was shot dead and Constable Regan seriously wounded during an exchange of shots with a masked mob which attacked the police.

## MANY VICTIMS OF RIOTING IN BELFAST DISTRICT

Belfast.—Nine persons were killed and scores injured in rioting which has been taking place in the neighborhood of Clonard monastery.

Brother Michael Morgan, a Redemptorist, was shot dead in Clonard monastery, during the course of a serious engagement between rioters and troops. Two others were killed, William Downey and William Goddard. The belief is that Morgan was the victim of stray bullets.

Winnipeg.—An increase of \$3 percent over the present rates on Canadian railroads was the forecast by members of the transportation bureau of the Winnipeg board of trade. Ship- pers expect that, in view of the United States railway board award, an advance of between 18 and 20 cents will be made at once in addition to the 30 percent already asked for.

P. G. Dennison, transportation manager of the local board, stated that the board was not opposing the increase but was willing that the railways receive whatever increase in the rates that was necessary to maintain the condition which is proper in operating conditions.

With the restoration of all the boards in western Canada, the Winnipeg board urged the board of railway commissioners, Ottawa, to arrange sittings in western Canada to make making any award.

Ottawa.—I believe that new rates for all Canadian railways will become effective in one of the August period, said A. R. Mosher, president of the Canadian Brotherhood of Railway Employees.

Mr. Mosher stated that the present meetings of the union have been finished. The union has gone west and the strike to Montreal in pursuit of information. They will meet in Ottawa in about ten days.

Mr. Mosher emphasized that the American award is to do, in any sense, with the Canadian situation. It is not a Canadian strike, but a Canadian National Railway strike.

The district will soon be at its normal state again. All the families who have been suffering at Banff, Camrose, Wetaskiwin, etc., are again at home to their friends, satisfied that a holiday occasionally is a real pleasure, but there is no place like home.

C. Paulsen, of Wetaskiwin, spent the weekend with his sons here. The missionary services conducted by Missionary Nelson, an old missionary from China and Prof. Anderson, of Totaled, last Wednesday evening was attended by a large gathering. The stormy weather interfered somewhat, but let us hope the results will be satisfactory on behalf of the Young People's League, who have undertaken to send over and keep a missionary in China. The young man, who is leaving in the early fall is Mr. N. Roumige, who graduated with high honors from University of Alberta this spring.

Mr and Mrs A. Billingshurst spent a few days at the home of Mr and Mrs T. B. Phillips last week. They were on their way home to Clive after spending their honeymoon at the capital.

Mrs W. Ferris, of Rimbey, and family, who has spent a week with Mrs. Chan, returned home last Wednesday.

Mrs T. Vold has purchased a house and lot in the best residential part of Wetaskiwin, on the west side the track. She expects to move there to make her home in the near future. We are sorry to see her leave us, but wish her the best of luck.

Miss Baxter, of Vancouver, is visiting with her sister, Mrs. H. Blair, of this district at present.

Mrs S. Wettré visited with Miss Martha Paulsen at Wetaskiwin, for a few days last week.

Rev. McKinnon, of Edmonton, gave a very impressive lecture and sermon at the church Sunday morning.

School opened last Tuesday with Miss Holmes in charge.

Miss Marie Krefling left for Lacombe last Thursday to assist at the hospital.

The U.E.W.A. members are holding their bazaar and supper with introductions of music, etc., on Friday, July 30. Everybody welcome.

### Kyanize

Don't use a floor finish which will leave unsightly worn spots after a little wear. Kyanize is made especially to stand the scuff and tread of heavy shoes, without cracking, peeling, or turning white. It is a colored finish, instead of a mere mixture.

Kyanize also makes a beautiful, sanitary, most durable finish for furniture and all woodwork about the house.

Seven artistic colors, and clear also white enamel. Come in and get a small can of Kyanize and give it a trial. The makers guarantee it absolutely, and so do we.

### The Difference Between

The honest and the dishonest man. The man of law, is the difference between honesty and dishonesty. If you don't care about yourself, how about your neighbor's property? If you think it right to rob him, then to the loss of his home, his money and his property.

"Stop at the garage and fill the crank case with Imperial Polarine Heavy. The Imperial Polarine Chart of Recommendations specifies this grade, and we have found it to be the best lubricant for these trucks. Fill the tank with Imperial Premier Gasoline while you're there."

### A Grade for Every Type of Motor

Imperial Polarine provides good lubrication for all types of motors and all motor parts. Extreme high engine heat does not affect its body—exactly the right body to seal in compression, conserve power and get the most from fuel. It burns clean.

Imperial Polarine coats and cushions each moving part and follows through at every joint and rub. Reduces wear, makes each part function smoothly and ensures long life and service to your motor.

When you stop for oil ask to see the Imperial Polarine Chart of Recommendations, which shows the right lubricant for your car. It is on display wherever Imperial Polarine is sold.

Gallon and four-gallon sealed cans, steel kegs, half-barrels and barrels. Buy by the barrel and half-barrel and save money. For sale by dealers everywhere throughout Canada.
